

Note by SRP:

on 11/14/1984, SRP has been able to locate a descendant of alicia (Squire) Kennedy who is interested in updating / correcting the information that is known about alicia & Porter Kennedy. In her conversation <sup>see p. 3181</sup> with SRP on 02-25-1978, Edna Munson Wiltz indicated who the three "contacts" for this information are: Pauline (Kennedy) Stiles, Verla Kennedy & Merrill Kennedy. Perhaps a first-person visit to Pleasant Mount would result in some answers. <sup>see appendix IV</sup> My letter (#147, dated 04-30-1977) to "The Harry B. Kennedy Family, R.D. #1, Pleasant Mount, PA 18453) did not elicit any response.
